

NEW TEACHER REGISTRATION

New Teacher Registration

This guide is to assist teachers in creating a NelsonNet teacher account.

Please note Teacher accounts are only accepted for teachers at schools that have adopted a Nelson Cengage Learning Title as a core resource (i.e One textbook per student)

Step one

Go to www.nelsonnet.com.au and select **“Create a new teacher account”**

Step two

Complete all of the details on the “My Details” screen and click “Save”

The screenshot shows the 'Teacher Registration | NelsonNet Dashboard' page in Internet Explorer. The browser address bar shows the URL <http://www.nelsonnet.com.au/teacher>. The page features the NelsonNet logo and the Nelson Cengage Learning logo. A navigation bar includes links for Home, Contact Us, NelsonNetBook, FAQ, and Quickstart Guide.

The main content area is titled 'My Details' and contains the following form fields:

- First name*:
- Last name*:
- Email*:
- My School section:
 - Country*:
 - State*:
 - School/College*:
- My Book section:
 - Book title*:
 - Book ISBN:
 - Book list quantity*:
 - Bookseller:

On the right side, there are two help boxes:

- Can't find your school?**
If you cannot find your school please enter the name of your school and then provide us with the details of your school.
- Book help**
Please provide us with the details of the book, the bookseller you use and the number of students in the year level.
Providing us with the book title and ISBN you are using will ensure we give you access to the right resources.

A large red arrow points to the 'SAVE' button located at the bottom right of the form.

Step three

You will then be taken to the next screen to confirm that your request has been received.

The screenshot shows a Windows Internet Explorer browser window displaying the NelsonNet Teacher Registration confirmation page. The browser's address bar shows the URL <http://www.nelsonnet.com.au/teacher-registri>. The page features the NelsonNet logo and the Nelson Cengage Learning logo. A green navigation bar contains links for Home, Contact Us, NelsonNetBook, FAQ, and Quickstart Guide. The main content area includes a thank-you message to 'jim Pyatt!', a confirmation of the registration, and instructions on what happens next. Two side-by-side boxes provide details on 'Access codes' and 'Confirm your registration'. A section for 'Haven't received your emails?' offers advice on checking junk mail and contacting customer service. The footer contains a list of legal links and the copyright information for Cengage Learning Australia Pty Limited.

Thank you jim Pyatt!

We have received your NelsonNet registration.

What happens next? [Print this page](#)

We just have to check a few things and we'll be back in touch within the next 48 hours when you will receive the following two emails that will assist you in completing your NelsonNet account set up.

Access codes

The first email you will receive will contain access codes. These codes will give you access to all of your online resources. Hold onto these access codes - you will need to enter them on your dashboard once your registration has been confirmed.

Confirm your registration

To confirm your registration you will be sent a second email that will require you to click the link and finalise your registration. You can then go to your NelsonNet dashboard and enter in the access codes you received in your first email.

Haven't received your emails?

Please first check your junk email folder and if there is nothing there then please contact [Cengage Customer Service](#) to help follow that up for you.
